

Human Resources Policy Manual

Organizational Standards, Progressive Discipline & Performance Systems | Document ID: HR-HRP-2026-V1

1. Equal Employment Opportunity & DEI Directives

The Company is an Equal Opportunity Employer. We are committed to fostering a diverse workforce and an inclusive corporate culture that prohibits discrimination, harassment, or retaliation against any employee or applicant based on race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, veteran status, genetic information, or any other legally protected characteristic. This mandate governs all phases of employment, including recruitment, hiring, placement, promotion, termination, compensation, and professional development.

2. Performance Management Systems

Performance management is executed via a standardized annual cycle comprising mid-year reviews, continuous check-ins, and formal year-end evaluations. Performance is assessed quantitatively against mutually agreed-upon Key Performance Indicators (KPIs) and qualitatively against core behavioral competencies.

Employees are encouraged to take an active role in planning their professional goals, which are aligned directly with the overarching corporate strategy. Performance ratings dictate merit-based salary increases, bonus allocations, and promotion eligibility.

3. Progressive Discipline Framework

When performance or conduct falls below organizational standards, the Company utilizes a structured, transparent progressive discipline framework designed to correct behavior and restore productivity. The framework consists of four clear steps:

- 1. Verbal Warning / Formal Counseling:** A documented conversation between the supervisor and employee identifying the deficiency and detailing corrective expectations.
- 2. Written Warning & Performance Improvement Plan (PIP):** If the behavior persists, a formal written warning is issued. Concurrently, the employee may be placed on a structured PIP (typically 30, 60, or 90 days) outlining specific, measurable deliverables and weekly evaluation intervals.
- 3. Final Written Warning & Suspension Review:** Issued for severe or repeated non-compliance. May involve a paid or unpaid investigatory suspension pending a final determination by HR.
- 4. Separation / Termination of Employment:** If the employee fails to meet the metrics defined in the PIP or commits an act of gross misconduct, employment is severed. The Company retains the right to bypass progressive steps for egregious violations.

4. Grievance Redressal & Dispute Resolution

Employees have the right to voice legitimate grievances regarding workplace conditions, management decisions, or peer interactions without fear of reprisal. The escalation protocol follows a strict sequence to ensure impartial adjudication:

- **Level 1:** Informal resolution with the immediate supervisor to quickly resolve localized misunderstandings.
- **Level 2:** Formal written escalation to the departmental HR Business Partner (HRBP) if Level 1 is ineffective or inappropriate.
- **Level 3:** Final review by the Employee Relations Committee for final organizational adjudication.

5. Separation, Offboarding, and Exit Protocols

Upon termination of employment, whether voluntary or involuntary, specific protocols must be executed. Voluntary resignations require a minimum written notice period of two (2) weeks for individual contributors and four (4) weeks for managerial or executive personnel. The offboarding sequence dictates the immediate revocation of all digital access credentials, the mandatory return of all corporate hardware assets (laptops, mobile tokens, keys), and an exit interview administered by Human Resources.

Corporate Acknowledgement & Attestation Statement

Every employee must log into their HRIS dashboard within fourteen (14) calendar days of onboarding to formally sign and date the acknowledgement ledger for these corporate policies. Failure to review and attest to these policies constitutes a compliance violation and may subject the employee to the progressive discipline framework.
